

In The United States District Court MEMO ENDORSED
Southern District of New York

Alonzo Vernon,

Defendant,

vs.

United States of America,
Plaintiff.

Motion of Reconsideration and/or Appeal

Comes now, Alonzo Vernon (pro se), before the Court requesting a reconsideration on its denial of a Sentence Reduction under Amendment 821. The defendant was eligible for a Sentence

reduction according to the probation office revised Supplemental presentence report on February 26, 2024. The Government filed its opposition

on February 26, 2024, and the Court ruled on the motion seven days later on March 4, 2024.

Not giving the defendant ample time and opportunity to reply to the government's opposition, where the defendant could have made a very compelling yet interesting argument.

Challenging the government's opposition. In add-

ition the defendant would like the opposition to address the court opinion on or about the defendant's previous behavior.

March 25 2024.

Respectfully Submitted
Alonzo Vernon

Deemed without prejudice
to the filing, or at
before 6/5/24, of a
new motion for
reconsideration (it has
from all arguments in
favor of a different
result).
